

# Managing Your Sodexo Invoices Just Got Easier

## Presenting Citi® Present and Pay, a New Secure Digital Invoice Delivery and Payment Platform

Providing an exceptional customer experience is always our top priority. That's why we launched a new secure digital platform to make reviewing and paying invoices easier.

**To sign up, watch for an invitation email from Sodexo.com.**

**Once registered, you'll have 24/7 access to:**

**More Security:** Enjoy bank-level security backed by Citibank® when you pay

**Fully Digital Payments:** Easily pay using your bank account and store account information for future use

**More Visibility:** View invoices and statements at your convenience

**Immediate Access to Your Invoices:** Intuitive self-serve platform that you can start using from day one

**More Control:** Make and schedule payments anytime

**Speedier Resolution for Issues:** Disputes can be made and managed online to help speed up resolution

**Go From Processing to Paid Easily and Efficiently. Using Citi® Present and Pay offered by Sodexo, you'll be able to:**

- View all open and aging invoices
- Manage bank accounts and store bank information easily for future use
- Set up recurring and auto-pay payments
- Download account statements
- Search for specific invoices
- View and manage disputes
- Contact Sodexo directly with any questions
